"Deeper Shade of Blue" is a song by British group Steps, released as the band's ninth single. The song is an uptempo pop song about the darker side of life and an attempt to break free. It was the fifth song to be released from the group's second album Steptacular. The song was originally recorded by Tina Cousins but, aside from a few promotional 12" records, her version remains unreleased. The single entered the UK Singles Chart at number four and spent one more week in the top ten before falli
