Auditorium 15-1 SPACE TYPE: AUDITORIUM Construction Criteria The unit costs for Auditorium space types are based on the construction quality and design features in the following table. This information has been generally organized under Uniformat headings. Items marked with a 5 have a space-related cost impact on the building shell and core.

### SPACE TYPE: AUDITORIUM - Whole Building Design Guide

requirements are based on a traditional auditorium type space with a full stage, curtain, lights and sound. Other more flexible seating/stage options are encouraged. If something other than a fixed seat auditorium is proposed, the spaces and areas may be adjusted as long as the total square footage listed for all spaces is not exceeded.
