BS3 About Engine

Originally Answered: What is BS 3 and BS 2 engine? BS stands for BHARAT STAGE.2 and 3 stand for generations,something like in mobiles.They are carbon emission limits which the car must abide by to make production legal here in India. They are the Indian standards,there are separate standards for Europe, called EURO. 2K views

What are the BS 3 and BS 2 engines? - Quora

Engine combos once deemed to radical for the street could be tamed to chug comfortably on the freeway and idle smoothly without sacrificing any power. A true testament to DFI's potential is its impact on import drag racing, where big block-level air and fuel flow was crammed into four tiny cylinders and effectively managed with just four injectors.
