This video, third in the series of four, is about an often overlooked overlap in the buyer's journey and the sales process. Aligning the sales process with the buyer's journey 2 Feb 7, 2017 Cold calling is a good example of the misalignment between the buyer's journey and the sales process in a lot of companies.

Business Process Management

The nirvana of BPM third wave is the situation where the business analyst can redesign a business process, simulate the new process, and then move the new process to production in the IT-systems by himself. In this way "the business" becomes empowered and the divide between IT and business is not just bridged, but simply obliterated!
