This thick tome is a reference catalogue to Sorayama's rich work adding new illustrations. Printed in high-density and best possible quality his XL-Masterworks edition sparkle of extraordinary talent, wondrous imagination and impeccable skill.

The long awaited arrival of the latest collection Sorayama's erotic illustrations, NAGA, which was completed after his previous best-seller, GYNOPSIS. Since the '83 release of SEXY ROBOTS, his combination of technical perfection and feminine sensuality has gained instant worldwide recognition such that in 1996, he was hired as a character designer for the Hollywood production "Space Trucker", starring Dennis Hopper. The 65 works gathered in this lavish collection all

reflect the central theme of this book: water, a serpent, and feminine beauty.

Follow well-known airbrush artist Vince Goodeve through multiple photo sequences that explain his choice of color, sense of design and preference for tools and materials. Early chapters explain shop set-up and preparations of the metal canvas. Ten start-to-finish sequences walk the reader through Vince's airbrush work with both motorcycles and cars. Projects include simple graphics as well as complex and intricate designs. Accustomed to teaching, Vince uses a style that is easy to follow and understand. His enthusiasm for the airbrush comes through, making the text easy to follow. Vince Goodeve has something to say to all airbrush artists, whether
