Though the do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information, the BMW owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.

This book presents a clear and comprehensive overview of the key factors involved in working with adolescent sex offenders. With an emphasis throughout on practical guidance, leading practitioners address a number of important questions: Who are sexually abusive adolescents and what do they do? What are the current theories of adolescent sexual abusiveness? How can we address issues of risk estimation and management? What are the assumptions behind many aspects of assessment and treatment?

Katherine Shaw—Kate— is happy with her life. She has supportive friends, a glamorous magazine career, and a love of all things Jane Austen. But when she loses her job, her beloved grandmother falls ill and a financial disaster forces a sale on the family home, Kate finds herself facing a crisis that would test even the most stalwart of Austen heroines. Friends rally round, connecting her to freelance gigs, and presenting her with a birthday gift— title to land in Scotland—that's about to come in very handy. Turns out that Kate's first freelance assignment is to test an Austen-inspired theory: in the toughest economic times is a wealthy man the only must-have accessory? What begins as an article turns into an opportunity as Kate—now Lady Kate—jet-sets to Palm Beach, St Moritz and London where, in keeping company with the elite, she meets prospects who make Mr. Darcy look like an amateur. But will rubbing shoulders with men of good fortune ever actually lead her to love? And will Kate be able to choose between Mr. Rich and Mr. Right?

“ Chronicles the heyday of the Chicago Heights subsidiary of Al Capone ’ s infamous Prohibition-breaking criminal organization ” (Time Out Chicago). Chicago Heights was long the seat of one of the major street crews of the Chicago Outfit, but its importance has often been overlooked and misunderstood. The crew ’ s origins predate Prohibition, when Chicago Heights was a developing manufacturing center with a large Italian immigrant population. Its earliest bosses struggled for control until a violent gang war left the crew solidified under the auspices of Al Capone. For the remainder of the twentieth century, the boys from Chicago Heights generated large streams of revenue for the Outfit through its vast gambling enterprises, union infiltration, and stolen auto rackets. For the first time, the history of the Chicago Heights street crew is traced from its inception through its last known boss. Includes photos! “ I recommend this book to anyone who is interested in the Chicago Heights Street Crew. It not only provides a well researched history of the crew, but also explains how the boys from Chicago Heights became an important, yet little known, part of the Chicago Outfit. ” —Springer Science + Business Media
