Cancer Vixen is definitely an encouragement tool for women who are waging the same battle." -Karen Grigsby Bates, npr.com "My favorite medical memoir of the year was Cancer Vixen, a graphic novel by New Yorker cartoonist Marisa Acocella Marchetto. At 43, Marchetto is just three weeks shy of her wedding day when she finds a lump in her breast.

It is the true story of the author's experience with breast cancer but it includes her love life and her relationship with her mother so it is gripping and hilarious (not just technical). It's the kind of book that makes you feel good about yourself as a gutsy brave person who can tackle breast cancer (as the author has done).
