worse, and autoimmune conditions are becoming increasingly common. In Clean, doctor and journalist James Hamblin explores how we got here, examining the science and culture of how we care for our skin today. He talks to dermatologists, microbiologists,

Download Ebook Crooked

allergists, immunologists, aestheticians, bar-soap enthusiasts, venture capitalists, Amish people, theologians, and straight-up scam artists, trying to figure out what it really means to be clean. He even experiments with giving up showers entirely, and

Download Ebook Crooked

discovers that he is not alone. Along the way he realizes that most of our standards of cleanliness are less related to health than most people think. In fact, our overuse of soap, sanitizers, and untested, misleading skin-care products may be to blame for many problems. But a little-known area of
