Daylighters is the 15th and final book in the long running witty Morganville Vampire series. All the books in this series are light, fun and quick reads. This one isn't any different.

Daylighters (The Morganville Vampires, #15) by Rachel Caine

Daylighters is the 15th and (so far) final book in Morganville series. After Fall Of Night which was the weakest book in the series In my opinion, Daylighters was an improvement - but still not as good as previous installments earlier in the series.

The Morganville Vampires is a series of young adult urban fantasy/vampire novels written by Rachel Caine. The novels feature Claire Danvers, a student at Texas Prairie University, and her housemates in the vampire-controlled city of Morganville, Texas. While the mayor of Morganville is human, unbeknownst to most of the population the town is actually run in cooperation with a group of vampires.

their untimely end... 'A first-class storyteller.' Charlaine Harris, author of True Blood

Claire Danvers and her friends encounter a very changed town of Morganville where a sinister organization called the Daylight Foundation has seized power and has violently segregated the human and vampire populations.

Accepted into a special study program at MIT with Professor Irene Anderson, Claire Danvers works on developing a technology to block the mental powers of vampires only to unleash unexpected forces when she tests the machine on live subjects.

After discovering that vampires populate her town, college student Claire Danvers knows that the undead just want to live their lives. But someone else wants them to get ready to rumble. There's a new extreme sport getting picked up on the Internet: bare-knuckle fights pitting captured vampires against each other-or humans. Tracking the remote signal leads Claire to discover that what started as an online brawl will soon threaten everyone in Morganville...

College student Claire Danvers struggles to remain neutral in the growing conflict between the vampires and humans of Morganville, which is further complicated by the arrival of a ghost-seeking television production crew.

New York Times bestselling author Rachel Caine presents a collection of stories—including six new tales—featuring the little Texas town that's overrun by the undead. WELCOME TO MORGANVILLE. YOU'LL NEVER WANT TO LEAVE. By day, Morganville, Texas, is just a typical college town. By night, the vampires emerge and take control.... In a town where it's not safe to be out after dark, student Claire Danvers and her friends have had their fair share of thrills. But Morganville still has a few secrets left to tell. Now, in this collection, you can venture down the town's strange streets, revisit all the tales you've come to love, and experience six new stories featuring your favorite Morganville residents—both human and vampire...

When Claire Danvers learns that three of the vampires in Morganville have disappeared and discovers that the last person seen with one of them is a new resident named Magnus, she begins to suspect Magnus is not a fellow human.

New Girl. New School. Old Evil. From the author of the Chicagoland Vampires novels. A new series about a boarding school filled with something worse than homework. Lily's parents have sent her to a fancy boarding school in Chicago filled with the ultra-rich. If that wasn't bad enough, she's hearing and seeing bizarre things on St. Sophie's creepy campus. Her roommate, Scout, keeps her sane, but keeps disappearing at night. When one day Lily finds Scout running from real-life monsters, she learns the hard way that Scout is involved in a splinter group of rebel teens. They protect Chicago from demons, vamps, and dark magic users. It's too bad Lily doesn't have powers of her own to help. At least, none that she's discovered yet...
