Color your way into quiet times with God through this collection of Bible verse coloring book pages. As you color, you will dwell on a verse for much longer than you would if you were reading through it. You might just find the passage of scripture makes its way further into your heart and mind once you have spent more time with it. Color, and through coloring, bring these words of truth to life in new ways and let God bring peace to a few moments of your busy day.

This is a devotional to make the Word of God come alive in your children's lives, in your life and the life of your family. To see more than just the 'known' stories of

the Bible but how everything that is written in the Bible is important. There are no insignificant details in the Bible. Every word is God breathed for you and for me. We live in such a busy, hectic world. This will allow you to take a few minutes to gather your family together and talk about what is the most important aspect of your life - God and His Way for your life. My prayer is you will love the Word as much as I do and as much as God does. He wrote it just for you. His Word is not a list of rules but His love letter to you. Enjoy this time with your family as you begin this journey in understanding or continue to understand how much God loves you and wants what is best for you.

A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my

own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that

How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About General Catholic Devotions by Bonaventure Hammer "The Lord is nigh unto all them that call upon Him, to all that call upon Him in truth. He will do the will of them that fear Him, and He will bear their prayer and save them" (Ps. cxliv. 18, 19). "Rejoicing in hope, patient in tribulation, instant in prayer" (Rom. xii. 12).

Meet Jesus is a 40-day devotional for your personal growth in Christian faith and includes a 6-session small group study so that you may grow in faith in Jesus with others. The group discussion guide

includes a "Helping Others Meet Jesus"

component to help you and your group take some intentional steps toward introducing your community to Jesus. The meaning around Meet Jesus is two-fold. The first meaning reflects us introducing people to Jesus. Each day's devotion will help the reader discover a different characteristic/identity of Jesus (Savior, Redeemer, Prince of Peace, etc.). As we go about our lives making disciples, telling people of Jesus, it is helpful to offer some more specific introductions as to who Jesus is. So as we would introduce two friends who don't know each other to one another, we would introduce our friends and those we encounter, as we go about our lives, to our friend, Jesus. The second meaning simply reminds us of the importance of meeting with Jesus. As we are in the Word learning new aspects on who Jesus is, we will do this all with Him.

In that time with Him we will be spiritually renewed, refreshed, and reminded that "It's in Christ that we find out who we are and what we are living for." (Ephesians 1:11a MSG)

30 days of reflections from the stillness of the time-out chair in the midst of the hustle and bustle of one busy woman's topsy turvy life.

This one year journal and devotional, which you can start on any day of the year and continue throughout 365 days, offers a positive daily outlook on life. This book came to me in dreams all the way from the title to the end. The dreams started after a divorce. I started working two jobs and was extremely tired upon retiring to sleep. I am not an author or at least did not believe myself to be one. I don't normally dream either. But these dreams were so

vivid that I could wake and write them down and go right back to sleep. Then the morning after the dream, what was written down was, I felt, as it should be written, other than correcting spelling, etc.
