Madhya Pradesh Public Service Commission (MP PSC) has published the official notification to fill various vacancies of civil judges in various subordinate courts of Madhya Pradesh. Candidates who have completed their graduation in Law and seeking to make their career with such service which can not only give them influential status but financial stability also, should apply for the Madhya Pradesh Civil Judge (PCS- J).

"Redish has done her homework and created a thorough overview of the issues in writing for the Web. Ironically, I must recommend that you read her every word so that you can find out why your customers won't read very many words on your website -- and what to do about it." -- Jakob Nielsen, Principal, Nielsen Norman Group " There are at least twelve billion web pages out there. Twelve billion voices talking, but saying mostly nothing. If just 1% of those pages followed Ginny ' s practical, clear advice, the world would be a better place. Fortunately, you can follow her advice for 100% of your own site ' s pages, so pick up a copy of Letting Go of the Words and start communicating effectively today. --Lou Rosenfeld, co-author, Information

Architecture for the World Wide Web On the web, whether on the job or at home, we usually want to grab information and use it quickly. We go to the web to get answers to questions or to complete tasks – to gather information, reading only what we need. We are all too busy to read much on the web. This book helps you write successfully for web users. It offers strategy, process, and tactics for creating or revising content for the web. It helps you plan, organize, write, design, and test web content that will make web users come back again and again to your site. Learn how to create usable and useful content for the web from the master - Ginny Redish. Ginny has taught and mentored hundreds of writers, information designers, and content owners in the principles and secrets of creating web information that is easy to scan, easy to read, and easy to use. This practical, informative book will help anyone creating web content do it better. Features

- \* Clearly-explained guidelines with full color illustrations and examples from actual web sites throughout the book.
- \* Written in easy-to-read style with many "befores" and "afters."
- \* Specific guidelines for web-based press releases, legal notices, and other documents.
- \* Tips on making web content accessible for people with special needs.

Janice (Ginny) Redish has been helping clients and colleagues communicate clearly for more than 20 years. For the past ten years, her focus has been helping people create usable and useful web sites. She is co-author of two classic books on usability: *A Practical Guide to Usability Testing* (with Joseph Dumas), and *User and Task Analysis for Interface Design* (with JoAnn Hackos), and is the recipient of many awards.

making web content accessible for people with special needs.

"This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read..."--Publishers Weekly, starred review

Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With
