Institute, Robert A. Stranahan  
Distinguished Professor of  
Pediatrics, Harvard Medical  
School, commenting on the 2007  
edition

This book, in Q&A format, addresses a wide range of clinically relevant topics and issues in Nonmalignant Hematology, or “Benign Hematology,” with a view to offering a robust, engaging tool that will assist every hematologist and oncologist (pediatric and adult equally) in making decisions during day-to-day practice. The entire spectrum of the specialty is covered in more than 60 exceptional chapters written by acknowledged authorities in the field. The content is organized
