siblings instantly—and temporarily. You can learn the name of your boyfriend through the magic words "Ice cream soda, Delaware Punch, Tell me the initials of my honey-bunch." You can perform the series of tasks set forth in "Teddy Bear, Teddy Bear, turn around" and find out who, really, is the most nimble. You can even, with impunity, "conk your teacher on the bean with a rotten tangerine. " This collection of over six hundred jump-rope rhymes, originally published in 1969, is an introduction into the world of children—their attitudes, their concerns, their humor.

Like other children's folklore, the rhymes are both richly inventive and innocently derivative, ranging from on-the-spot improvisations to old standards like "Bluebells, cockleshells," with a generous sprinkling of borrowings from other play activities—nursery rhymes, counting-out rhymes, and taunts. Even adult attitudes of the time are appropriated, but expressed with the artless candor of the child: Eeny, meeny, miny, moe. Catch Castro by the toe. If he hollers make him say "I surrender, U.S.A." Though aware that children's play serves

social and psychological functions, folklorists had long neglected analytical study of children's lore because primary data was not available in organized form. Roger Abraham's Dictionary has provided such a bibliographical tool for one category of children's lore and a model for future compendia in other areas. The alphabetically arranged rhymes are accompanied by notes on sources, provenience, variants, and connection with other play activities.

considers diversity in the mass media in three main settings: Audiences, Content, and Production. It brings together 53 readings—most are newly commissioned for this edition—by scholars representing a variety of social science and humanities disciplines. Together, these readings provide a multifaceted and often intersectional look at how race, gender, and class relate to the creation and use of media texts as well as the media texts themselves. Designed to be flexible in the classroom, the book begins with a detailed introduction to key

concepts and presents a contextualizing introduction to each of the three main sections. Each reading contains multiple It's Your Turn activities to foster student engagement and which can serve as the basis for assignments. The book offers a list of resources—books, articles, films, and websites—that are of value to students and instructors. Several alternate Tables of Contents are provided as options for reorganizing the material and maximizing the flexibility of the readings: by site of struggle (gender, race, class), by medium (television, print, digital, etc.), and by arena

feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are.

This is a book to enjoy and treasure."-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heartful Practices "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

"Ethical Conflicts in Psychology" will help both present and future psychologists develop sensitivity to the ethical aspects of their field; leaving them more considerate, critical, and skeptical about their own behavior and the ethical constraints under which they work. Topics addressed range from how ethics are best learned and integrated to such issues as confidentiality and supervision.
