Tailors in the North usually cut a jacket with squarer shoulders, similar to tailors in Rome. Tailors from Southern Italy prefer a natural shoulder with a set-in sleeve similar to the sleeve of a shirt. In general, Italian tailors tend to make a very soft garment with a lot of attention to handwork.

Plus, get properly kitted out; close up photographs of hand and machine tools show you the best equipment for the job and guarantee you know exactly how to use it. Tucks, pleats, hems, darts, edges, pockets, buttonholes, zips – whatever you want to sew find out how.

Bespoke tailoring A good silhouette is the DNA of a garment, a kind of architecture for textile ideas. In this book, practical step-by-step instructions ensure that inexperienced cutters can work out the perfect fit, on average body shapes, for a suit, a coat, pants and more - based on individual body measurements. From many years of experience, the internationally active tailor and master of this craft Sven Jungclauss passes on his professional knowledge to those who are interested. Because: The gentleman of today is wearing custom made!

Since its first publication, Classic Tailoring Techniques for Menswear has been the authoritative resource for custom hand tailoring production. This new edition focuses on updating these timeless construction techniques through extensive use of all new photography and digital illustrations to enhance the clarity of each process. The enduring art of tailoring and the nature of bespoke tailoring processes means that the techniques presented in the first edition remain as relevant for today's designers as ever. The new edition is updated with information on measuring, alternative approaches in use today and 748 all new photographs and illustrations. It also includes a brief overview of contemporary tailoring and the identifying key components of luxury tailoring from Britain, Italy and the United States. This introduction also familiarizes the reader with ways in which traditional production methods have been used in the development of luxury ready-to-wear men's tailoring. The text is ideal for students with basic design, pattermaking and sewing skills of at least an intermediate level for courses including Tailoring Techniques, Menswear Design, Couture Sewing, Intermediate or Advanced Construction Techniques, Costume Construction and Fashion Design Studios. Instructor's Guide available.
