Ephemera are any transitory written or printed matters that are not meant to be retained or preserved. The word derives from the Greek ephemerous, meaning "lasting only one day, short-lived". Some collectible ephemera are advertising trade cards, airsickness bags, bookmarks, catalogues, greeting cards, letters, pamphlets, postcards, posters, prospectuses, defunct stock certificates or tickets, and zines.

Ephemera - Wikipedia

In a nutshell, to collectors "ephemera" are vintage printed or written items which originally served some specific purpose and were not expected to be retained or preserved, but which are now cherished. A few decades ago much of it was called "Paper Americana", though ephemera is not necessarily American.

Definition - Ephemera Society of America

Book Collecting Guide. Collecting Ephemera: materials that lend themselves to thematic collections include documents, letters, booklets, brochures, pamphlets, billheads, ledgers, scrapbooks, photographs, maps and a myriad of other items. For decades those who write about or describe ephemera have attempted to come up with a simple definition, only to find themselves threading a maze of etymology and entomology.

Collecting Printed Ephemera [EBOOK]

The Downs Collection encompasses four kinds of materials: collections, documents, folios, and microforms. Collections are made up of many items, including original handwritten and typed manuscripts, pieces of ephemera, photographic images, drawings, bound and unbound volumes, artifacts, and even printed books and periodicals. Typically, collections are not broken up by format but are kept together in order to provide the researcher with context.
