Corvette Restoration C3 Projects - Corvette Performance Expert

About a half-million Corvettes were sold between 1968 and 1982, and the unique Shark's combination of style, handling, and V-8 performance is revered. Some early C3s, built between 1968 and 1974, are simply too rare and valuable to be modified, particularly the big-block cars. The later Corvettes, built from 1975 to 1982, came with low-compression engines that produced anemic performance.
