This is a great volume for Curious George lovers ages 2-6! This collection contains books based on the Curious George TV show on PBS, and the pictures have the same "cartoon" style (as opposed to the original series of books by H.A. Rey and the later series of books based on that). Both my two- and four-year old love all things Curious George!

Review originally published on my blog, Nine Pages. Based on the new world of Curious George as established in the television series, while out in the country, George takes his camera and photographs wild animals and their tracks for his collection. While searching for a fawn seen by his friend Bill, he finds a strange set of tracks and decides that they were made by a dinosaur with big feet ...
