In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Embedded Linux Primer A Practical
Up-to-the-Minute, Complete Guidance
for Developing Embedded Solutions with
Linux Linux has outstripped all
competitors as today's #1 operating
system for embedded products.
Christopher Hallinan's "Embedded Linux
Primer" has proven itself as the
definitive real-world guide to building
efficient, high-value, embedded systems
with Linux.
