I'm young but yet this does make sense to me. This makes me strive to be a better person, to help others but to also focus on how I'm doing. This ones a good one, listening to others story's helps you not make the same mistakes they did. To be better, to not do what they did to learn from it but to just go straight to the sweet spot.

How to Make Sh*t Happen: Make More Money, Get in Better ...

I get the purpose of the book: motivate you to make sh*t happen. But it's done in a monologue narrative which makes for some monotonous reading after a while. The principles are sound and make sense but, unlike other types of self-help books, aren't illustrated with examples or other view points that complement the author's opinion.

How to Make Money by Writing Any Old Sh*t | by Alexander M ...

Make the Script Executable and then Run It. You'll probably want to make the script executable so you can run it more easily. On Linux, that means you need to give the script file the executable permission. To do so, run the following command in the terminal, pointing it at your script: `chmod +x ~/myscript.sh`
