R. Kelly Rainer, Brad Prince, Hugh J. Watson ISBN: 9781118443590 Management Information Systems Moving Business Forward, 2nd Edition is not just for MIS students. This text details how information systems can be used by Accounting, Finance, Marketing, Management and Human Resources majors to solve everyday problems in their respective careers.

Management Information Systems: Moving Business Forward ...

A management information system, or MIS, is one of any type of computerized information systems used in business organizations. The components of an MIS are essentially the same as all other information systems. An effective MIS generates information that informs users about a business's current situation and the probable reasons for it.
