Powermac G5 User Manual - forum.kygunowners.com
Some time back, I did two posts on the apparent death, and then partial recovery, of my much loved Power Mac G5 Quad. In A Casualty on the Front Lines I described discovering the machine one day with its fans running at full blast, and the CPU temperature meter hovering in the 80's C. I shut it down immediately, assumed rather too quickly that it was done for and deduced that there was no ...
