### **What You Need to Be Happy, by Zodiac Sign**

Because happiness is a state of mind, not a reaction to a particular person, thing, or event, you can be happy no matter what happens to you. You can be happy married, widowed, divorced, or single — or in whatever marital state you find yourself. You can be happy at any age. As long as you're alive, you can make yourself happy, no matter what.

## **You Can Be Happy Now by Merlin R. Carothers**

Happiness can never be constant if it always relies on something else. If your happiness relies on the number of miles you run, the number of friends you have, or the amount of promotions you make, you will never be truly happy. Instead, work to find your inner joy by practicing mindfulness and self-love. 2.
